

Notice

These Cells are distributed by Applied Biological Materials, Inc., with the following terms and conditions:

Use of Cells by for-profit entities or for Commercial Purposes requires a commercial use license from the University of Virginia Licensing & Ventures Group prior to shipping. "Cells" means the Ca_v3.1a cell line (HEK 293 cells stably expressing human Ca_v3.1a), unmodified descendants, and their unmodified function subunits or expression products. "Commercial Purpose" means uses of Cells by any organization, including recipient to perform contract research, screen compound libraries, produce or manufacture products for general sale, or to conduct research activities that result in sale, lease, licenses or transfer of Cells to a for-profit organization.
