

# Shipping Tissue Blocks for Staining to abm

**US customers:** we advise shipment on **Monday or Tuesday**. This is for delivery within the work week and to prevent the shipment from being held in customs over the weekend.

**Customers outside of North America:** please only ship on **Fridays**. This is for delivery within the work week and to prevent the shipment from being held in customs over the weekend.

**Canadian customers:** can ship on **Monday, Tuesday, or Wednesdays**.

## DO NOT SHIP UNTIL YOU HAVE AN ORDER NUMBER

- Please place an order first prior to submitting your samples. All samples received must have the order confirmation number indicated. **Any samples received without this piece of information will be disposed off immediately upon receipt to ensure that all customer information is held in strict confidence.**
- Once the shipment has been arranged, please inform our order support team of the tracking number by email, at [order@abmgood.com](mailto:order@abmgood.com).
- Please send the proper amount of tissue as specified in your order.
- Please also declare the shipment as 'samples' with a customs value of \$10.00. Please ensure your samples are shipped as securely as possible, taped down or secured in a rack and padded inside a protective box to avoid damage and/or any cross contamination of your samples.
- Label your samples adequately (we advise using adhesive labels over writing directly on the tubes).
- Transit time should be 3-5 business days. Please include ice packs during warm weather.

**Commercial invoice can be found on the next page. Please fill out all of the yellow boxes. Print 3 copies and include in the waybill pouch.**
